Student Action Group Updates:

Last month we began looking at the feedback from the first meeting of the Student Action Group.

Members of the curriculum team met with the Student Action Group, and had a great discussion about how DistanceLearningCentre.com could make our learner's experiences better. From this, feedback has been collated and we are already working on ways to improve our resources to be more effective learning materials.

We believe we are off to a great start with making our learner experience even better!

Ascentis awards The Growth Project £500

We had a meeting at Ascentis's new book themed building in October! Ascentis are our awarding body for Access diplomas. They have awarded our not for profit arm Hourglass £500 for the next three years to help to run the Growth Project.

The Growth Project works with people with mental health issues in Rochdale Lancashire so if you want to have a look at what we do, then our Facebook group is: <https://www.facebook.com/Hourglass.org.uk>.
