## AUGUST NEWSLETTER

Hello and welcome to the August newsletter!

This is our monthly newsletter that gives you some news and updates about what is going on with DistanceLearningCentre.com, our staff and our students.

### Tell us your GCSE and IGCSE results!

Good luck to everyone collecting their GCSE and iGCSE results later this month. We would love to hear about your exam results so please do let us know how you did so we can join you in celebrating your success.

Send your results to our GCSE Admin Cass Platt at the email:  
[gcse@distancelearningcentre.com](mailto:gcse@distancelearningcentre.com)

### Moderation Congratulations

Congratulations to everyone who completed their diploma for moderation in June. As you can see from the photo we have checked all 859 of them, they were then handed over to the Post Master who had a very busy week last week putting them all in the post.

If you don't receive your certificate by the end of this week please contact [exams@distancelearningcentre.com](mailto:exams@distancelearningcentre.com) as we will be able to give you the tracking number for your certificate.

If you have completed your course with us please consider leaving us a review and being part of our Hall of Fame.

### Finished your course? Leave us a Review!

We need your reviews! A large number of our learners choose us because of our positive reviews, so why not give us a review to help others choose the right course for them!

Your reviews and feedback also help us continuously improve our student experience, and provide the best service we can.

At various points during your studies you will be sent an invite to review us on

Trustpilot, we would appreciate it if you could take a few minutes to complete a review when you are invited.

You can also give us a review or send us some feedback in a variety of other ways:

- Reviews on our [Facebook Page](#).
- Give our page a like and share.
- Testimonial for our [Hall of Fame](#).

You can also email [Studentservices@distancelearningcentre.com](mailto:Studentservices@distancelearningcentre.com) with any issues you have had (or are having), who will be happy to help resolve these.

## November Moderation 2023

### Planning on moderating November 2023?

If you are planning to moderate for November this year, we would advise (if you haven't already) to start looking at your ILP and make sure you are on track to finish for your deadline!

If you have any questions about moderation, you can ask your tutor, Student Services or look on your Learner Account Toolkit.

### Your questions answered

This month's question is:

#### **Why do we ask for source material in assessments?**

#### **Our answer:**

Providing source material in your assessment allows us to see how you have used information which is an important part of Grade Descriptor 4. Academic writing should be evidence based, showing your sources is a way of ensuring that your work is evidence based. Also reference writing is a skill we look for in Grade Descriptor 5 and is something you will need to do at higher levels such as at university.

You can find sources through the further reading in the materials, the assessment tools / further reading in the assessment and also in the DistanceLearningCentre.com library which is found in the Toolkit in your account.
