Unit: Business and Organisation Structures
Level: 3
Credit Value: 6

What you will study:

You will learn about the key features of different organisations and the formation of private, public limited and not for profit companies. You will learn about the functional areas of business and how they are interlinked. It will cover the ways growth can occur internally and externally, and the impact upon the functional areas of a business. You will also be explaining and evaluating the different types of organisational structures found in businesses.

How you will be assessed:

1. You will need to complete one short answer question and one long answer question.
2. You will need to write an essay.
