Unit Information

Unit: Introduction to International Trade
Level: 3
Credit Value: 3

What you will study:
You will learn about the key terms and concepts relevant to the study of international trade, for example visible and invisible trade balance. You will look at the key influences and issues that face the UK trading relationship with the rest of the world. This includes looking at rates of economic growth, production of high value goods and EU membership.

How you will be assessed:

1. You will complete a number of long answer questions.
2. You will write a short essay.
