Unit: Psychological Perspectives and Behaviour
Level: 3
Credit Value: 6

What you will study:
You will learn about the key characteristics of a range of psychological perspectives, and how to evaluate these perspectives using evidence from research. You will learn how to evaluate methods of data gathering, looking at the strengths and weaknesses of the research evidence. The unit will also cover analysing how a range of psychological perspectives can be used to explain behaviour.

How you will be assessed:
1. You will write an essay.
2. You will sit a 45-minute exam via Skype.
