Unit Information

Unit: Research Project
Level: 3
Credit Value: 6

What you will study:
You will decide (agreed by your tutor) on an appropriate title for your research project. You will then plan and conduct a research project and write a report on your findings. You will learn about the concepts of integrity and quality, and how validity, reliability and ethical are considered in your research project. This includes justifying your sources used in the project.

Note: Different subjects will have varying requirements.

How you will be assessed:

1. You will write a plan/report of approximately 2000-2500 words.
