Unit Information

Unit: Social Care and the Older Person
Level: 3
Credit Value: 3

What you will study:

You will learn about the impact of an ageing population, including an increase in age-related conditions. You will also cover the legislation and policy related to the social care service for older people, and the role of social care professionals. The unit will also cover the services available to the older person within a range of care settings, and the evaluation of these services.

How you will be assessed:

1. You will complete a number of short answer questions.
2. You will write an essay.
