Unit: Health and Social Care Provision
Level: 3
Credit Value: 6

What you will study:
You will learn about how health and social care provision is measured. You will learn about the roles and responsibilities of various people employed within the health and social care sectors, including the influence of the development of the NHS.

The unit will also cover the inequalities in health, in relation to class, race/ethnicity, gender and religion. You will also learn about the ethical and legal contexts of health and social care.

How you will be assessed:
1. You will complete a number of short answer questions.
2. You will write an essay.
3. You will sit a 45-minute exam via Skype.
