## New Tutor!

## A big welcome to one of the new tutors who joined the DistanceLearningCentre.com team recently!

I have a degree in Forensic Science and a Post Graduate Certificate in Education. I have been teaching now for almost 12 years and have taught on most level 2 and 3 programmes as well as some level 4/5 adult courses. My main subjects are Biology and Forensics, but I have taught some Chemistry and Physics too. Outside of work I enjoy keeping fit and have recently taken up running during lockdown. Before that (and hopefully after the lockdown restrictions end) I trained in Brazilian jiu jitsu and I am also a black belt in judo.
