JANUARY NEWSLETTER

Hello, and welcome to the January newsletter!

Happy New Year to all our students and a huge welcome to all our new students who joined us at the start of this year!

This is our monthly newsletter that gives you some news and updates about what is going on with DistanceLearningCentre.com, our staff and our students.

Prestige Award Winners

The Corporate Livewire Prestige Awards recognises small and medium-sized businesses that have proven to be the best in their market over the past year. We won the **Online Course Provider of the Year** award for 2022!

This award recognised our wide range of accredited courses, high quality tutors and the high level of experience we had in this area.

Rebecca Smith (Executive Manager for Curriculum) and Zafar Khan (Executive Manager for Quality) attended the ceremony last November. This is the second year in a row we have won the award!

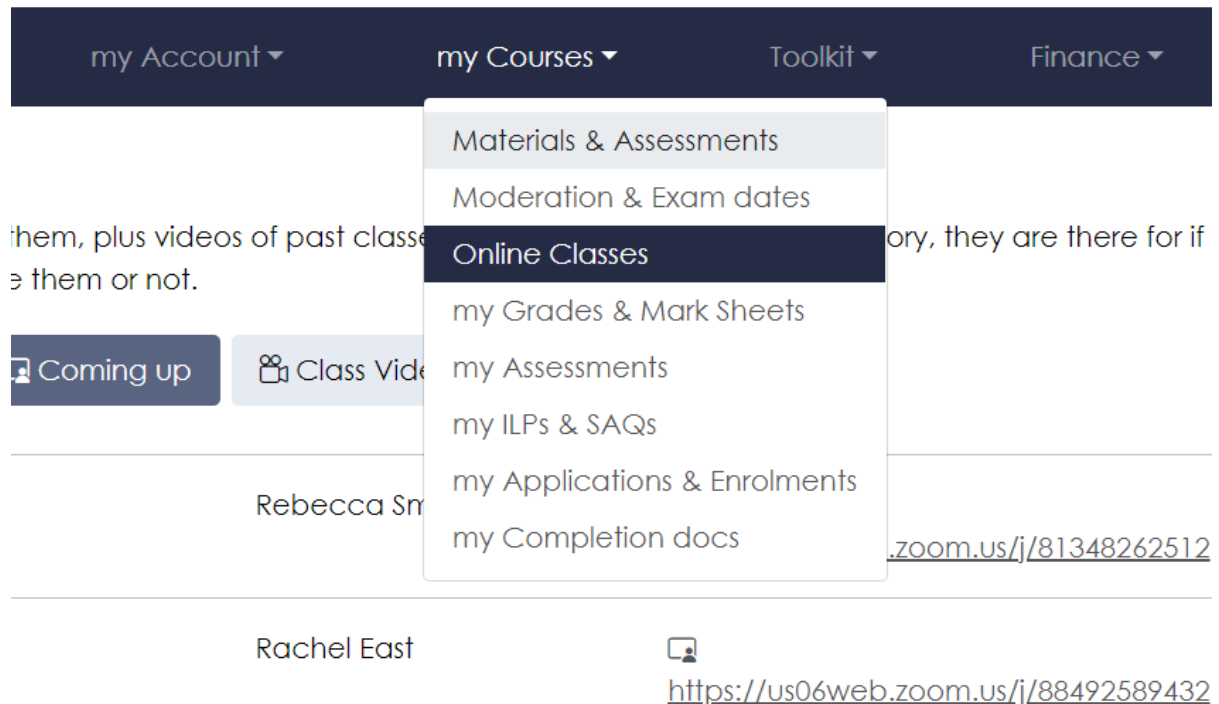

Online Classes return

Our online classes are resuming from tonight.

To kick off the new year Rachel East is running an assessment guidance class on Psychological Perspectives and Behaviour tonight at 7PM. Join the class using the button below.

Join Class

Our online classes are designed to help you in your studies. Make sure to check out the online classes tab on your learner account to find out which classes are running for your course.

The screenshot shows a dark blue navigation bar with four items: 'my Account', 'my Courses', 'Toolkit', and 'Finance'. A dropdown menu is open under 'my Courses', listing several options: 'Materials & Assessments', 'Moderation & Exam dates', 'Online Classes' (highlighted in dark blue), 'my Grades & Mark Sheets', 'my Assessments', 'my ILPs & SAQs', 'my Applications & Enrolments', and 'my Completion docs'. Below the navigation bar, there are buttons for 'Coming up' and 'Class Videos'. A user profile for 'Rebecca Smith' is visible, along with a Zoom link: <https://us06web.zoom.us/j/81348262512>. Another Zoom link is visible below: <https://us06web.zoom.us/j/88492589432>.

November Moderation Certificates have been posted

Another huge congratulations to all 341 of our students who completed moderation in November last year!

Your certificates are already on their way, so keep an eye out for your local postie.

June Moderation Countdown

No sooner does one moderation finish, the countdown for the next begins! The June moderation deadline is **Friday 26th May 2023**.

If you are planning on attending University this September then you need to make sure you are keeping up with your ILP, and making sure you are completing all the

actions your tutor gives you.

New to your course? Join our Facebook Group!

We have a thriving student community on our private Facebook group, which is only for current and alumni students.

It is a great place to chat with other students, get help with common questions and get useful links to University events.

You can join the group by following the link and answering the membership questions: [DistanceLearningCentre.com \(Official\)](https://www.facebook.com/DistanceLearningCentre.com).

We turn 30 this year!

DistanceLearningCentre.com was set up in 30 years ago, in 1993 by an experienced group of teachers and lecturers who were dedicated to distance learning.

This year we turn 30, and our mission is still the same:

"We felt that many people would like to study, but were unable to attend regular classes. We wanted to give everyone the opportunity to access excellent, flexible learning from home."

Every year we continue to help students achieve amazing grades and get into dozens of Universities and onto their dream careers.
