MAY 2026 NEWSLETTER

Hello and welcome to the May newsletter, where we are focusing on the summer moderation, final reply dates for university decisions, and our Hall of Fame testimonials.

Summer Moderation 2026

Summer moderation is fast approaching - remember that if you're aiming for this, the final date for submission of all of your assessments is **Friday 29th May**. Submitting your work in advance of this date allows plenty of time for any resubmission work and remarking.

If you are worried about meeting this deadline please arrange to speak to your tutor.

If you're on track to complete for June moderation then please make sure that all of your contact information is up-to-date so that you will be able to access all of the post moderation information.

Moderation Admin Checklist:

- Check that all your details on the system- name, address, email etc are all correct and up to date. This is to ensure certificates are sent to the correct address.
- Send an e-mail to exams exams@distancelearningcentre.com so that when they write to you to tell you that your results are confirmed or when we are sending out certificates their bulk e-mail will hopefully not be deleted by your e-mail provider. We do always put the news out through social media so do keep your eye on this as well.

March Moderation Certificates

Congratulations to all those who have moderated in March!

Your certificates are already on their way, so keep an eye out for your local postie.

Last Decision Reply Dates

These are based on when you get the last decision in from the universities or colleges that you have applied to study at. **Check your UCAS application to see your personal deadline.**

2026 entry applications:

- If you received your last decision on or before **13th May 2026**, your reply date is **3rd June 2026** (except if you're using UCAS Extra to find a place).
- If you receive your last decision on or before **15th July 2026**, your reply date is **22nd July 2026** (except if you're using UCAS Extra to find a place).

UCAS Extra is a service available to students which may allow you to add another choice to your UCAS application if you are not currently holding any offers. You can read more about UCAS Extra here - [UCAS Extra](#).

Student Finance Reminder

If you are going to be studying at university this year, make sure you have applied for your Student Finance!

Applications for Student Finance in England, Northern Ireland, Scotland and Wales are all now open. The deadlines can be found on the relevant websites, but applying now will ensure that your funding is in place for September.

You don't need to have a confirmed place at university to apply – you can apply now and update your details later if you need to.

You can find out everything you need to know by visiting the Student Finance website [here](#).

Online webinars and drop-ins

Thank you to all students who joined us for the webinar sessions in the countdown to moderation! There are currently no webinar sessions scheduled for May/June. However, as you finish your final assignments please have a look through our recorded webinars for any additional guidance.

Hall of Fame Testimonials

Share Your Success

Have you reached a milestone, landed a place at university, or simply proved to yourself that you can study, online and on your own terms? We'd love to celebrate with you and show future learners what's possible.

How to join our Hall of Fame:

- Write a short testimonial about your experience with DistanceLearningCentre.com. What did you enjoy? What challenges did you overcome? How has the course changed your plans or outlook?
- (Optional) Attach a photo of yourself - nothing fancy, just a friendly face to put with the story.
- Email both to your subject tutor.

That's it! We'll add your words - and photo, if you've shared one - to our online Hall of Fame so prospective students can see where determination and DistanceLearningCentre.com can take them.
