Assessment Support for DistanceLearningCentre Learners

Learner, via email, is issued with assessment password and deadline.

Telephone/Zoom call offered within a few days of assessment password being issued to provide further assessment advice and guidance.

Learner submits assessment – assessment does not meet 1 or more assessment criterion/ia.

Assessment requires further work to be re-submitted with a deadline.

A further telephone/Zoom call is offered within a few days of the assessment requiring further work. Further advice and guidance is provided to learner.

Learner submits assessment and passes – assessment is graded, mark sheet is completed and uploaded, and grades recorded.

Learner submits assessment – assessment still does not meet all assessment criteria.

A further telephone/Zoom call is offered within a few days of the assessment requiring further work. Further advice and guidance is provided to learner.

Learner submits assessment and passes – assessment is graded, mark sheet is completed and uploaded, and grades recorded.

Learner must now enter the Ascentis Referrals procedure – tutor to contact ZK (Ex. Manager) for further advice and guidance.
